

# Course Instructions

Please read the following before you begin the course.

To ensure that pdfs open properly please follow these steps:

For Chrome users: Go to Settings > Advanced > Content Settings > PDF Documents > toggle 'Download PDF files instead of automatically opening them in Chrome' to On.

For Firefox users: Go to Preferences > Applications > PDF and select Save File option.

---

Google Chrome users may need to right-click and select "Save Link As" to download files.

---

Some videos may be hosted on third-party websites. Websites may remove videos without notice. If that happens, please inform your instructor

---

Some websites cited within the course may be removed without notice. If you encounter a problem with a link, please inform your instructor.
